## Donation Request Guidelines

# The NDTC Commitment

NDTC is proud to support the communities throughout its service area. As an investment in the future of local residents, NDTC focuses on programs and partnerships that strengthen the region and improve quality of life.

## Our support includes:

- Community projects and partnerships
- Local schools and youth programs
- Economic development and local government efforts
- Select nonprofit organizations

## More Than a Service Provider

NDTC delivers high-quality, affordable service while uniting employees, businesses, and organizations—and giving back through the time and talents of the people who live, work, and raise families in our communities.

## Requests

Each request is reviewed individually, and donations will be granted on a case-by-case basis. To be considered for a Dollars in Motion donation, application forms must be completed and submitted to NDTC at least six weeks prior to the event. NDTC does not donate to past events. The Dollars in Motion committee meets at the beginning of each month and reviews requests that have been received by the first of the month.

**It is our experience that all requests are for a good cause; however, NDTC generally does not contribute to:**

- Individuals, groups or organizations that do not reside within NDTC exchanges.
- Benefits or fundraisers for individuals.
- Organizations of primarily religious or political focus.
- Private businesses.
- Business/agency/organizational employee events (i.e. Christmas parties/employee picnics).
- Sponsorships of sporting teams.
- NDTC does not donate operating costs or recurring services, etc.
